On the Uconnect screen under driver information, look on the right column and click on Technical Information then navigation will be disabled. Obtain the activation code for your . The Ultimate Guide to Your Dodge Journey's Navigation System, Right in Your Car – Wikitravel If you own a Chrysler Uconnect and have the navigation activated on it, you might know how annoying it can get when you are travelling. You can easily prevent this from happening by using an 8.4 navigation code to unlock the system. As the name suggests, this code will allow you to open the navigation screen on your Uconnect 8.4 system, and you can navigate to any destination you want. If you see that the navigation system is on, you may have already applied it with the 8.4 activation code, which will let you navigate with your 8.4 navigation system and enter the 8.4 code anywhere.
