## Realm Of The Madgod: Halloween Pack Trainer Download

Download ->>> <http://bit.ly/2JY90UM>

### About This Content

**The 2016 Halloween Pack is here!**

Get the exclusive **Jack O'lantern** floating head and use the keys in this pack to collect candy and find Jack O's missing body in the game to go with this great pumpkin head pet and awesome other Halloween stuff!

This package contains items worth 50\$

- 10x Halloween Dungeon Keys
- 1x Jack O'Lantern (pet skin)
- 1x Frankensteins Monster Skin
- 1x Witch Skin
- 1x Halloween Candy

Items will be delivered to your gift chests in the game after you buy this DLC, wait a few minutes and re-launch the game.

Thanks Steam! Love the Skins and The Dungeons were a little tricky, but we got em' done! I personally did not use the Pumpkin Pet Skin because it was 5000 FP !!! so I fed it to my pet to raise that lvl! Pretty awesome pack, had fun, love the skins, and on sale was a beauty price! Thanks guys!! :D. Dont use the skin unless on a maxed exotic pet
